

REMARKS/ARGUMENTS

Reconsideration of this application is respectfully requested.

Claim Rejections -35 U.S.C. § 103

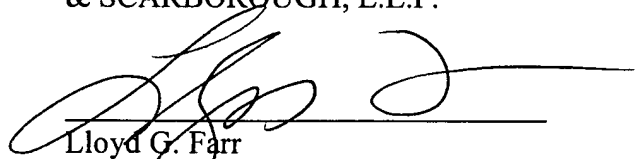

The Office Action rejected claims 28-30 as being unpatentable in view of Applicant's commonly owned published application (Dallas, et al.) in view of Donald, et al.

To facilitate prosecution of the present application, claims 28-30 have been cancelled. Applicants do not acquiesce in the rejection of claims 28-30 and reserve the right to pursue these in a continuation application.

In view of the present amendment, it is submitted that the application is now in condition for allowance. Favourable reconsideration and early issuance of a Notice of Allowance are requested.

Respectfully submitted,
